

AMR  
CONSULT

## Who we are

AMR Consult is a professional services organisation providing consultancy and operational support. Our distinctive offer enables us to better understand our clients' needs and focus on where we can add value. We have an exceptional track record of delivery and bring a wealth of experience from a range of sectors.

We are a multi-disciplinary team formed of specialists in project and programme management, procurement services, bid support and operational delivery. Our team provides professionals to the public and private sector, delivering services from inception through to completion and operation.

We specialise in bringing together teams tailored to the specific requirements of our clients and building long term relationships, adapting our services to suit client needs over time.

## What we do

Our team draws on its extensive experience to offer a portfolio of services relevant to the organisations and sectors we work in.

We provide consultancy and delivery support underpinned by an emphasis on strategic management skills and work in the following areas:

- Project and Programme Management
- Procurement Support
- Bid Management
- Contract Administration
- Facilities Management Consultancy and Delivery
- Estate Analysis and Survey Procurement
- Risk Management
- Furniture and Equipment Consultancy and Delivery
- Design Management

## Who we work with

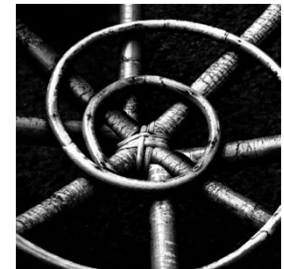

We're working with clients throughout the UK, providing a range of services primarily within the education, transport and health sector.

Our recent commercial clients include:

AECOM | Atkins | Arup | Bilfinger Berger | David Morley Architects | IDRS | Tribal Group | Willmott Dixon

Our recent public sector clients include:

East Sussex County Council | London Borough of Enfield | London Borough of Havering | London Borough of Lambeth | London Borough of Greenwich | London Borough of Wandsworth | Stockton Borough Council | Surrey County Council

## How we work

Central to our approach is the desire to add value and make a difference to our clients' endeavours. Being a niche provider allows us to bring a level of personal interest and commitment to projects that few of the larger providers are able to match. At all stages we aim to deliver measurable differences in a cost effective and efficient manner.

Central to our business philosophy are the following core values:

- Personalisation and Individualisation
- Creativity and Flexibility
- Professionalism and Diligence
- Goals and Quality
- Commitment and Responsibility
